Ken's Plane Ride

Ken loves planes. In the future, he wants to be a pilot. Last summer, he took a trip to Hawaii with his parents. He was excited to ride in a plane for the first time.

Ken's father drove Ken and his mother to the airport. They got there early, so they went to the observation deck* first. Ken watched planes for one hour, and he took a lot of photos, too.

After that, Ken and his parents walked to their boarding gate.* They had to wait there for 20 minutes before they could get on the plane. Ken was happy because his seat on the plane was next to a window.

Ken and his parents were on the plane for seven hours. When they arrived in Hawaii, Ken said to his mother, "That was so exciting! I enjoyed looking out the window very much. I want to sit by the window on the way home, too."

ケンの飛行機搭乗

ケンは飛行機が大好きです。将来、彼はパイロットになりたいです。今年の夏、彼は両親とハワイへ旅行に行きました。彼は初めて飛行機に乗ることにワクワクしました。

ケンの父親はケンと母親を空港まで車で連れていきました。彼らは空港に早く到着したので、最初に展望デッキへ行きました。ケンは1時間飛行機を見て、たくさん写真も撮りました。

その後、ケンと両親は歩いて搭乗口へ行きました。彼らは飛行機に搭乗するまで20分間そこで待たなければなりませんでした。ケンは飛行機の座席が窓際だったので喜びました。

ケンと両親は飛行機に7時間乗りました。ハワイに到着したとき、ケンは母親に言いました。「とってもワクワクした！窓の外を見てすごく楽しかった！帰りも窓際の席に座りたい！」
